

Company Presentation

DEFAMA Deutsche Fachmarkt AG

April 2022

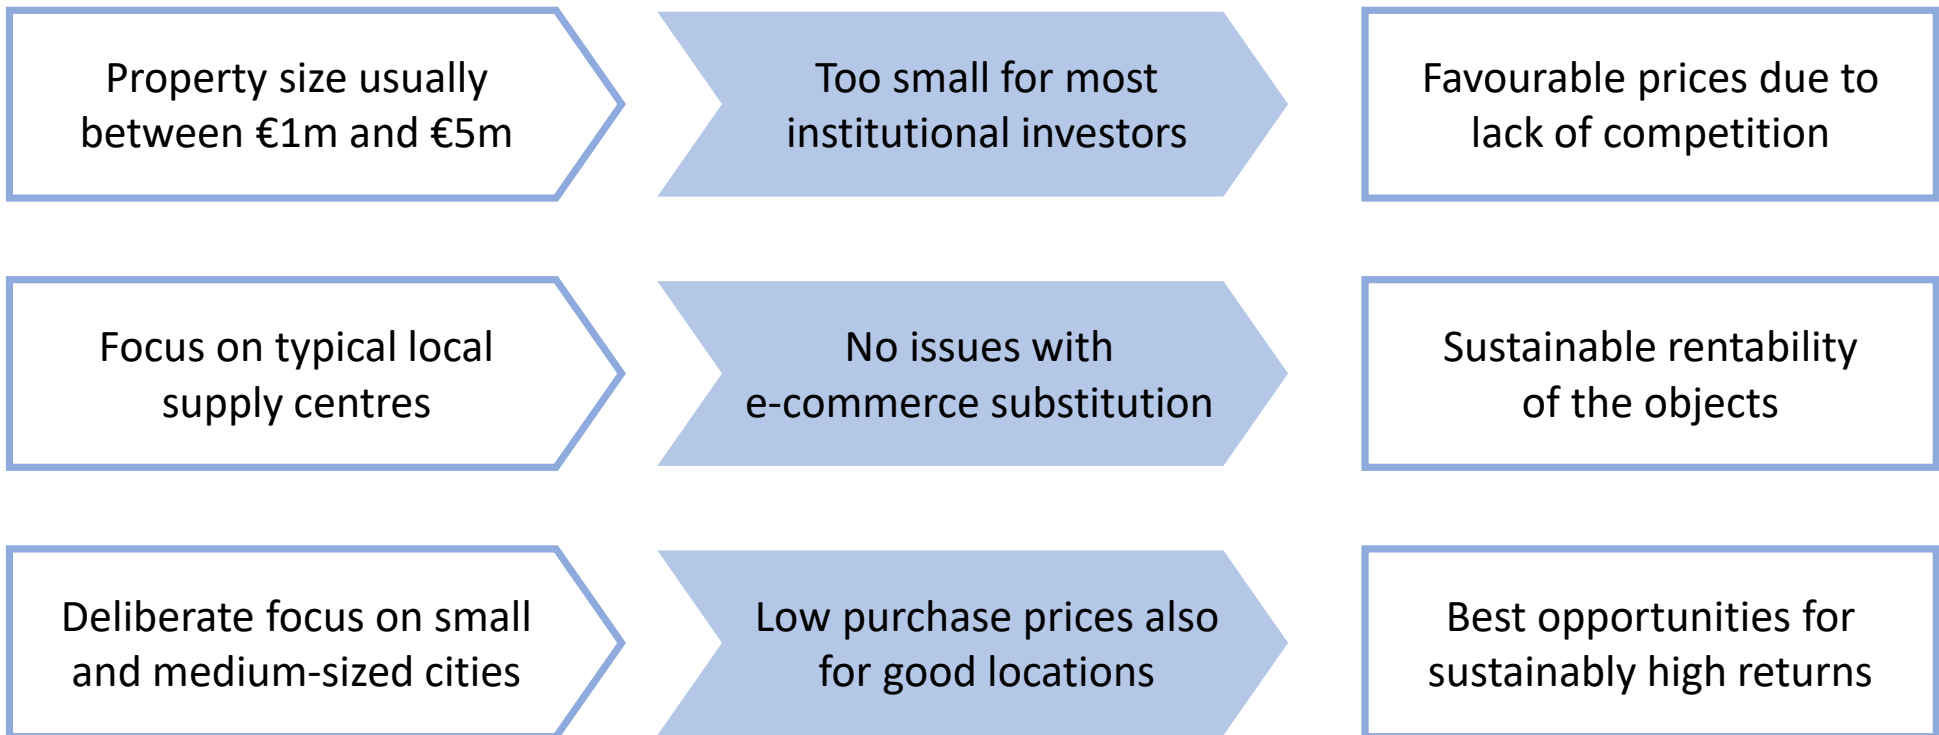

DEFAMA acquires:

- Well-established retail parks and small shopping centres
- Chain stores with strong solvency as (anchor) tenants
- Little vacancies and/or investment needs
- Purchase price per property usually between €1m and €5m
- Mainly located in small to medium-sized towns

We pursue a buy-and-hold strategy with the aim of generating a sustainable double-digit return on equity.

Three good reasons why we pursue this strategy:

Value creation on several levels (I)

- Acquisition of properties with initial yield of 10% p.a.
- Refinancing of > 80% of investment with app. 2% p.a. possible

little equity needed,
therefore high return on equity

- Strong growth due to additional acquisitions
- Realisation of earnings and saving potential

FFO per share +146%
within four years

Value creation on several levels (II)

- Laborious single purchases at favourable prices
- Professionally managed portfolios trade at much higher multiples on net rent

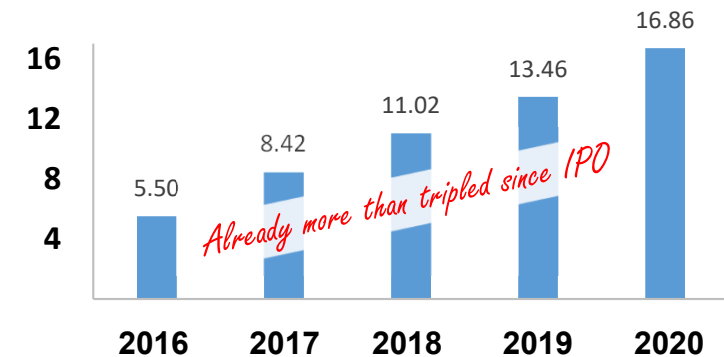

NAV per share +207%
within four years

Shareholders benefit from

- Yearly dividend increase
- Strong and crisis-proof cash flow / FFO
- Continuously rising value of portfolio / NAV
